Volunteer a **little** time...

Paragon is a growing community with a growing need of volunteers. We already have a very dedicated team of parents who are helping at the office, library, workroom, Parent Advisory Council, and in the classrooms. There is no end to teacher special events, school projects, and fundraisers that benefit your children. There is so much to do, and if you have a little time to spare, either once for a special event, or for a weekly commitment, there might be just the right thing for you to help with. If you are interested in helping out, please put yourself on our volunteer email list – contact our Volunteer Coordinator, Martina Wiesner.
