A Big Round of Applause for our Mathcounts Team! They got **3rd place** as a team last Saturday. Last year we got the 6th place in the same contest in East Valley. **More than 20 schools** participate in this math contest in this part of the valley. The top 6 or 7 teams are eligible to compete statewide. In addition to that, **Hamza Zubair**, our 8th grader, got **2nd place** among more than 150 "mathletes". That is amazing. I would like to thank to **Mr. Ozan, Mr. Isa** and **Ms. Seda** for their "extra-mendous" effort to make it happen. They, now, will compete against the top teams from the entire state in Tucson in March 13. Good Luck guys.

A Parent a Day: Would you like to meet with the Principal where you can ask any question? From 2:30-3:00, Mr. Ridvan is meeting with a parent a day. Call the office for an appointment.
